

# The Century of Sentry - Celebrating 100 years

100 years in business in no small "feet"! So, we thought it would be fun to kick off this achievement by giving all our employee-owners a new pair of "kicks" to step into the celebration. Choose the style that best suits you and don't forget a pair of socks to enhance your flair (and don't worry, there's Men's and Women's sizes for all styles of shoes).

Throughout FY '25 and leading up to our celebration on October 16<sup>th</sup>, 2025, we're encouraging all of our employee-owners to show their Sentry Equipment pride by wearing these custom commemorative shoes for all to see!

To ensure that we are all able to kick off "The Century of Sentry" at our Annual Meeting September 5<sup>th</sup>, please have your order completed no later than **WEDNESDAY, JULY 17<sup>th</sup>**. Once you've made your choices on a pair of shoes and socks (don't forget the socks!), please head to checkout and choose the location where you will be attending the Annual Meeting, and we'll have your order sent to there for pick up on September 5<sup>th</sup>.

If you have any questions, please feel free to reach out to Rachel Poston or Dave Coughlin for assistance.
